

NextCure to Present at the 19th Annual Needham Virtual Healthcare Conference

April 8, 2020

BELTSVILLE, Md., April 08, 2020 (GLOBE NEWSWIRE) -- [NextCure, Inc.](http://www.nextcure.com) (Nasdaq: NXTC), a clinical-stage biopharmaceutical company committed to discovering and developing novel, first-in-class immunomedicines to treat cancer and other immune-related diseases, today announced that it will present at the 19th Annual Needham Virtual Healthcare Conference on April 15th at 2:10 pm Eastern time.

A live audio webcast will be available through the Investors section of the company's website at www.nextcure.com. A replay of the webcast will be available approximately two hours after the event and archived on the website for 30 days.

About NextCure, Inc.

NextCure is a clinical-stage biopharmaceutical company committed to discovering and developing novel, first-in-class immunomedicines to treat cancer and other immune-related diseases. Through our proprietary FIND-IO™ platform, we study various immune cells to discover and understand targets and structural components of immune cells and their functional impact in order to develop immunomedicines. Our initial focus is to bring hope and new treatments to patients who do not respond to current cancer therapies, patients whose cancer progresses despite treatment and patients with cancer types not adequately addressed by available therapies. <http://www.nextcure.com>

Cautionary Statement Regarding Forward-Looking Statements

This press release contains forward-looking statements, including statements pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are based on current expectations, forecasts, assumptions and other information available to NextCure as of the date hereof. Forward-looking statements include statements regarding NextCure's expectations, beliefs, intentions or strategies regarding the future and can be identified by forward-looking words such as "may," "will," "potential," "expects," "believes," "intends," "forward," "progress," "continue," "momentum," "well-positioned," "upcoming" and similar expressions. Examples of forward-looking statements in this press release include, among others, statements about the strength of NextCure's financial position to continue advancing its product candidates, the progress and expected timing of NextCure's ongoing clinical trial of NC318, planned clinical trials of NC318 and NC410 and other research and development programs, and NextCure's plans, objectives and intentions with respect to the discovery and development of immunomedicines. Forward-looking statements involve substantial risks and uncertainties that could cause actual results to differ materially from those projected in any forward-looking statement. Such risks and uncertainties include, among others: NextCure's limited operating history and no products approved for commercial sale; NextCure's history of significant losses; NextCure's need to obtain additional financing; risks related to clinical development, marketing approval and commercialization; and the unproven approach to the discovery and development of product candidates based on NextCure's FIND-IO platform. More detailed information on these and additional factors that could affect NextCure's actual results are described in NextCure's filings with the Securities and Exchange Commission (the "SEC"), including NextCure's Form 10-K filed with the SEC on March 12, 2020. You should not place undue reliance on any forward-looking statements. Forward-looking statements speak only as of the date of this press release, and NextCure assumes no obligation to update any forward-looking statements, even if expectations change.
