CIK No. 0001661059

## Dear Mr. Richman:

We have reviewed your amended draft registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on

 ${\tt EDGAR.}$  If you do not believe our comments apply to your facts and circumstances or do not

believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to these comments and your amended draft registration statement or filed registration statement, we may have additional comments.

Amendment No. 1 to Draft Registration Statement on Form S-1

## Overview, page 1

1. We note your response to comment 1. We note in particular from your response that you

are defining "first-in-class" in a temporal sense, as the first one of its kind, and not as an

adjective describing the quality of a product candidate or immunomedicine. If you wish

to continue to use the "first-in-class" description in this way, then to avoid investor

confusion as to the meaning of the phrase, please clearly disclose how you are defining

the phrase.

2. We note your response to comment 9. Please provide an aggregate value, or narrow range

of values, for each of the research and development support payments, the option exercise  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left($ 

payments, and the milestone payments. In this regard, we note that proceeds from the  $\,$ 

Lilly Agreement have played an important role in financing your operations and,

particularly with respect to the research and development support payments, appear likely

to continue to be an important source of funding for your operations. Aggregating these

payments does not facilitate an investor's understanding of the relative magnitude and

probability of receipt of each payment stream.

Choice of Forum, page 155

3. We note that your forum selection provision identifies the Court of Chancery of the State  ${}^{\circ}$ 

of Delaware or, if subject matter jurisdiction of such action is vested exclusively in the  $\ensuremath{\mbox{}}$ 

federal courts, the United States District Court for the District of Delaware, as the

exclusive forum for certain litigation, including any "derivative

action." Please disclose

whether this provision applies to actions arising under the Securities Act or Exchange

Act. If the provision applies to Securities Act claims, please also state that stockholders

will not be deemed to have waived the company's compliance with the federal securities  $% \left( 1\right) =\left( 1\right) \left( 1\right) \left$ 

laws and the rules and regulations thereunder. In that regard, we note that Section 22 of

the Securities Act creates concurrent jurisdiction for federal and state courts over all suits  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left($ 

brought to enforce any duty or liability created by the Securities  $\operatorname{\mathsf{Act}}$  or the rules and

regulations thereunder. If this provision does not apply to actions arising under the

Securities Act or Exchange Act, please also ensure that the exclusive forum provision in  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left$ 

the governing documents states this clearly.
