MESSAGE FROM OUR CHAIRMAN AND OUR CEO

Dear Stockholders:

We are pleased to invite you to join us for the 2021 Annual Meeting of Stockholders of NextCure, Inc., to be held on Thursday, June 24, at 10 a.m. Eastern Time, virtually over the internet at www.virtualshareholdermeeting.com/NXTC2021, during which time you will be able to vote your shares electronically and submit questions.

Since initiating operations, we have filed 3 investigational new drug applications for novel immunomedicines with unique mechanism of actions, took 2 molecules into the clinic, built a good manufacturing practices facility and produced clinical material for all our clinical trials, and developed a discovery platform to identify novel proteins that modulate immune cell activity.

As we write this message, the world and our industry continue to grapple with the ongoing impacts of the COVID-19 pandemic, although we are grateful that our laboratory operations have been mostly uninterrupted. As we announced in April 2020, we are working closely with our clinical partners and taking the steps necessary to adjust protocols and timelines for our clinical trials. We remain committed to the patients in our ongoing Phase 2 NC318 and NC410 clinical trials and to building a sustainable portfolio of first-in-class immunomedicines in the face of the pandemic.

At the 2021 Annual Meeting, we will be asking you to elect two nominees, all of whom have significant experience in the life sciences industry, to serve as Class II directors for three-year terms ending in 2024. Beginning on page 6, you will find detailed information about the qualifications of both our director nominees and our continuing directors, who we believe are a strong group to represent your

interests. Our Board of Directors is committed to governance practices that are appropriately tailored to our business and to guiding NextCure to deliver on our commitment to discovering and developing novel, first-in-class immunomedicines to treat cancer and other immune-related diseases by restoring normal immune function.

In addition to the election of directors, as discussed beginning on page 24, we are also asking stockholders to ratify our audit committee's selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2021.

On behalf of the Board of Directors and the NextCure team, we would like to thank you for your continued support. We look forward to your participation at the Annual Meeting.

Sincerely,

David Kabakoff, Ph.D.
Chairman of the Board

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

Date:	June 24, 2021	Record Date:	April 26, 2021
Time:	10:00 a.m. ET	Attendance:	www.virtualshareholdermeeting.com/NXTC2021

To the Stockholders of NextCure, Inc.:

We will hold the 2021 Annual Meeting of Stockholders (the "Annual Meeting") of NextCure, Inc. (the "Company," "NextCure," "we," "us," or "our") on June 24, 2021 at 10:00 a.m. Eastern Time as a virtual meeting held entirely over the Internet. You will be able to attend the Annual Meeting, vote your shares electronically and submit your questions online by visiting www.virtualshareholdermeeting.com/NXTC2021 and entering the 16-digit control number included in the notice containing instructions on how to access Annual Meeting materials (the "Notice"), your proxy card (the "Proxy Card"), or the voting instructions that accompanied the proxy materials (the "Proxy Materials").

Items of Business:

1. to elect as directors the two nominees named in the accompanying Proxy Statement to a term of three years each, or until their successors have been elected and qualified; and
2. to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2021.

These matters are more fully described in the proxy statement accompanying this notice (the "Proxy Statement"). In addition, any other matters that properly come before the Annual Meeting or any adjournment or postponement thereof will be considered.

We are pleased to take advantage of Securities and Exchange Commission ("SEC") rules that allow us to furnish our Proxy Materials, consisting of this Notice of Annual Meeting, the Proxy Statement, and a Proxy Card, and our Annual Report on Form 10-K for the fiscal year ended December 31, 2020 (the "2020 Annual Report") via the Internet. On April 29, 2021, we commenced mailing to stockholders as of the record date the Notice, which contains instructions on how to access our Annual Meeting materials and vote via the Internet, or by mail or telephone. The Notice also contains instructions on how to request a paper copy of our Proxy Materials and the 2020 Annual Report. This process allows us to provide our stockholders with the information they need on a more timely basis, while reducing the environmental impact and lowering the costs of printing and distributing our Proxy Materials.

Your vote is important. Whether or not you expect to participate in the Annual Meeting, the Board of Directors (the "Board") encourages you to review the accompanying Proxy Statement for information relating to each of the proposals and to cast your vote promptly.

By Order of the Board of Directors,

Michael Richman
President & Chief Executive Officer

PROXY STATEMENT SUMMARY

This summary highlights information that is contained elsewhere in this Proxy Statement regarding the 2021 Annual Meeting of Stockholders (the “Annual Meeting”) of NextCure, Inc. (the “Company,” “NextCure,” “we,” “us,” or “our”). It does not include all information necessary to make a voting decision and you should read this Proxy Statement in its entirety before casting your vote.

NextCure at a Glance

NextCure is a clinical-stage biopharmaceutical company committed to discovering and developing novel, first-in-class immunomedicines to treat cancer and other immune-related diseases by restoring normal immune function. Our initial focus is to bring hope and new treatments to patients who do not respond to current cancer therapies, patients whose cancer progresses despite treatment, and patients with cancer types not adequately addressed by available therapies.

Business Highlights: Product Candidates

NC318: a first-in-class immunomedicine against S15, a novel immunomodulatory target found on highly immunosuppressive cells called M2 macrophages in the tumor microenvironment and on certain tumor types including lung, ovarian and head and neck cancers.

- The two previously announced objective responder patients in the Phase 1 portion of the company’s ongoing Phase 1/2 clinical trial are continuing to receive drug and remain on study at over 118 weeks and over 92 weeks.
- The trial continues in head and neck squamous cell carcinoma (“HNSCC”) and triple-negative breast cancer (“TNBC”) patients.
- The previously announced confirmed partial response (“PR”) seen in the HNSCC cohort is off study after 40 weeks.
- A confirmed PR has been observed in the TNBC cohort.
- Given these responses in the HNSCC and TNBC cohorts, these cohorts met the criteria to advance into the stage 2 portion of the Simon 2-stage trial.
- The NC318 Phase 2 monotherapy protocol will be revised to select S15+ patients for enrollment starting in the second quarter of this year.
- Yale University plans to initiate in the second quarter of 2021, an investigator-initiated Phase 2 trial of NC318 as a monotherapy and in combination with pembrolizumab in patients with advanced non-small cell lung cancer.

NC410: a first-in-class immunomedicine designed to block immune suppression mediated by LAIR-1, an immunomodulatory receptor expressed on T cells and dendritic cells, a type of antigen presenting cell.

- Enrollment is on track and the company expects to announce initial clinical data from the Phase 1 portion of the trial in the second half of 2021.

NC762: a monoclonal antibody that binds specifically to B7-H4, a protein expressed on multiple tumor types.

- An investigational new drug application has been cleared by the U.S. Food and Drug Administration for NC762, which is upregulated in multiple solid tumor types, and which we believe is differentiated from other B7-H4-targeted antibodies.
- The Company plans to initiate the NC762 Phase 1 trial in the second quarter of 2021.

Overview of Proposals to be Presented at the Annual Meeting

Proposals	Board Vote Recommendation	Page
1. Elect two Class II Director nominees	FOR each nominee	6
2. Ratify appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2021	FOR	24

Proposal No. 1: Director Nominee Election

We are asking you to vote for the election of Elaine V. Jones, Ph.D. and Chau Q. Khuong as Class II directors, each to serve for a three-year term expiring at our 2024 Annual Meeting. Our Board currently consists of eight members and is divided into three classes, each of which has a three-year term.

Proposal No. 2: Ratification of Independent Auditor

We are also asking you to ratify our audit committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ended December 31, 2021. Although stockholder ratification of the appointment of Ernst & Young LLP to serve as our independent registered public accounting firm is not required by law or our organizational documents, the Board has determined that it is desirable to seek stockholder ratification as a matter of good corporate governance in the view of the critical role played by independent registered public accounting firms in maintaining the integrity of financial controls and reporting.

Other Proposals

The Board is not aware of any matters that will be brought before the Annual Meeting (other than procedural matters) that are not referred to in the enclosed Proxy Card. If any other business should properly come before the Annual Meeting or any postponement or adjournment thereof, the persons named in the proxy will vote on such matters according to their best judgment. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

Important Notice Regarding the Internet Availability of Proxy Materials

The Notice of Annual Meeting, the Proxy Statement, and the 2020 Annual Report are available at www.proxyvote.com.

IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Attending the Annual Meeting

You will be able to attend the Annual Meeting by visiting www.virtualshareholdermeeting.com/NXTC2021 and using your 16-digit control number included on your Notice, on your Proxy Card, or on the instructions that accompanied your Proxy Materials to enter the meeting.

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the stockholder of record with respect to those shares, and the Notice was sent directly to you. If your shares are held in a stock brokerage account or by a bank, trustee, or other nominee, you are considered the beneficial owner of shares held in street name, your broker, bank, trustee, or other nominee is considered, with respect to those shares, the stockholder of record, and the Notice or voting instructions are being forwarded to you by that organization.

The virtual meeting platform is fully supported across major web browsers and multiple device types running the most updated version of applicable software and plugins. Participants should ensure that they have a strong internet connection wherever they intend to participate in the Annual Meeting. Please allow ample time for online check-in, which will begin at 9:45 a.m. Eastern Time. We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual Annual Meeting. If you encounter any difficulties accessing the virtual Annual Meeting during check-in or during the meeting, please call the technical support number that will be posted on the virtual meeting login page. We will endeavor to answer as many questions submitted by stockholders as time permits at the Annual Meeting. Further information regarding procedures for asking questions and rules of conduct for the meeting will be posted on the virtual meeting login page and available on our investor webpage, <http://ir.nextcure.com>. A replay of our Annual Meeting webcast will be available at www.virtualshareholdermeeting.com/NXTC2021 and will remain there for one year.

We are holding the Annual Meeting as a virtual meeting in light of the coronavirus pandemic to ensure the health and welfare of our stockholders. We also believe that conducting the Annual Meeting as a virtual meeting is consistent with our commitment to innovation and will encourage higher levels of stockholder participation while also helping us reduce the environmental costs associated with the Annual Meeting.

Stockholders Entitled to Vote

The Board has set April 26, 2021, as the record date for the Annual Meeting. If you were the owner of our common stock at the close of business on the record date, you are entitled to vote at the Annual Meeting. You are entitled to one vote for each share of common stock you held on the record date. At the close of business on the record date, there were 27,609,863 shares of our common stock issued, outstanding and entitled to vote.

A list of stockholders of record entitled to vote at the Annual Meeting will be open to examination by any stockholder, for any purpose germane to the Annual Meeting, during normal business hours for a period of ten days before the Annual Meeting at our corporate offices at 9000 Virginia Manor Road, Suite 200, Beltsville, Maryland 20705. If, as a result of the coronavirus pandemic, our offices are not generally open, stockholders may contact Investor Relations at (240) 762-6486 and arrangements will be made to review the records in person. During the Annual Meeting, the list of stockholders will be available for examination at www.virtualshareholdermeeting.com/NXTC2021.

Quorum

A majority of our issued and outstanding shares of common stock as of the record date must be present at the Annual Meeting, either in attendance or by proxy, to hold the Annual Meeting and conduct business. This is called a "quorum." Your shares will be counted as present at the Annual Meeting if you

either attend our Annual Meeting or properly submit your proxy prior to the Annual Meeting. Shares subject to a broker non-vote will be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

Voting Methods

Voting Before the Meeting

To vote your shares before the Annual Meeting, please follow the instructions for Internet or telephone voting on the Notice. If you request printed copies of the Proxy Materials by mail, you may also vote by signing and submitting your Proxy Card and returning it by mail, if you are the stockholder of record, or by signing the voter instruction form provided by your bank or broker and returning it by mail, if you are the beneficial owner but not the stockholder of record. We encourage you to vote before the Annual Meeting even if you plan to attend the Annual Meeting, that way your shares will be represented whether or not you are able to attend the meeting.

Voting At the Meeting

Stockholders may vote and ask questions at the Annual Meeting by visiting www.virtualshareholdermeeting.com/NXTC2021. To participate in the Annual Meeting, you will need the 16-digit control number. Shares held in your name as the stockholder of record may be voted electronically during the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record also may be voted electronically during the Annual Meeting. However, even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance, so that your vote will be counted if you later decide not to attend the Annual Meeting.

Street Name Holders

If you are a beneficial owner who holds your shares in street name, you have the right to direct your broker, bank, trustee, or other nominee on how to vote the shares held in your account. You should follow the instructions in the Notice or voting instructions provided to you by that organization to vote your shares or direct the organization on how to vote your shares.

Vote Requirements

Proposal No. 1: Director Nominee Election

For a director to be elected, the director must receive the affirmative vote of a majority of the votes cast in the election.

Proposal No. 2: Ratification of Independent Auditor

The affirmative vote of the majority of the shares present or represented by proxy at the meeting and entitled to vote on the matter is required to ratify our independent auditors.

How your Shares will be Voted

You may vote "FOR," "AGAINST," or "ABSTAIN" with respect to each director nominee (Proposal No. 1) and the ratification of our audit committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2021 (Proposal No. 2). If you abstain from voting on a director nominee in Proposal No. 1 or from voting on Proposal No. 2, your shares will be counted as present for purposes of establishing a quorum at the Annual Meeting. An abstention will have no effect on the outcome of the election of our directors in an uncontested election, but will count as a vote "AGAINST" Proposal No. 2.

For certain proposals, brokers may not have discretionary authority to vote on a particular matter if they have not received specific instructions from the beneficial owner of the shares ("broker non-votes").

Banks, brokerage firms, and other nominees who hold our shares in street name for their customers generally have authority to vote on "routine" proposals, such as the ratification of auditors, when they have not received instructions from beneficial owners. However, they are precluded from exercising their voting discretion with respect to the election of directors or non-routine matters. A broker non-vote will have no impact on the voting results of such matters.

If you are a stockholder of record and you properly sign and return a Proxy Card, your shares will be voted as you direct. If no instructions are indicated on such Proxy Card and you are a stockholder of record, shares represented by the proxy will be voted in the manner recommended by the Board on all matters presented in this Proxy Statement, namely "FOR" for all director nominees, and "FOR" the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2021.

Revocability of Proxies

Any proxy given by a stockholder of record pursuant to this Proxy Statement may be revoked by the person giving it at any time before the final vote at the Annual Meeting by submitting a written notice of revocation to NextCure, Inc., 9000 Virginia Manor Road, Suite 200, Beltsville, Maryland, 20705. Stockholders may also revoke their proxy by entering a new vote over the Internet or by telephone, by signing and returning a new Proxy Card by mail (only your latest proxy submitted prior to the Annual Meeting will be counted), or by attending and voting at the online Annual Meeting. Holders in street name should follow the instructions provided to you by your broker, bank, trustee, or other nominee regarding how to revoke a proxy previously submitted.

Solicitation of Proxies

Our Board is making this solicitation and we will bear the entire cost of preparing, assembling, printing, mailing, and distributing these Proxy Materials and soliciting votes. Copies of solicitation materials may be furnished to brokers, custodians, nominees and other fiduciaries for forwarding to beneficial owners of common stock, and normal handling charges may be paid for such forwarding service. Officers and other of our employees, who will receive no additional compensation for their services, may solicit proxies by mail, email, via the Internet, personal interview, or telephone.

PROPOSAL NO. 1: ELECTION OF CLASS II DIRECTORS

Overview

Our Board consists of eight directors and is divided into three classes with staggered three-year terms. At the Annual Meeting, two directors will be elected to fill positions in Class II, to hold a three-year term expiring at our 2024 Annual Meeting. Each director will hold office until his or her successor has been elected and qualified or until the director's earliest resignation or removal. Elaine V. Jones, Ph.D. and Chau Q. Khuong, our current Class II directors, are nominees for election at the Annual Meeting.

The nominating and corporate governance committee has recommended, and the Board has approved, the nomination of each of these directors to stand for election at the Annual Meeting.

Each of the nominees has consented to serve if elected. However, if any of the nominees fails to stand for election, declines to accept election, or is otherwise unavailable for election prior to our Annual Meeting, proxies solicited by our Board will be voted by the proxy holders for the election of any other person or persons as the Board may recommend, or our Board, at its option, may reduce the number of directors that constitute the entire Board.

Director Qualifications

The nominating and corporate governance committee of the Board is tasked with annually considering the size, composition, and needs of the Board and, as appropriate, recommending the nominees for directors to the Board for approval. The nominating and corporate governance committee considers and evaluates suggestions from many sources regarding possible candidates for directors. Below are the general criteria for the evaluation of current and proposed directors:

- high standards of integrity, commitment and independence of thought, and judgment;
- diversity of talent, skill, and expertise sufficient to provide sound and prudent guidance with respect to all of our operations and interests, which may include experience at senior levels of public companies, leadership positions in the life sciences, healthcare or public health fields, science or technology backgrounds, and financial experience;
- confidence and a willingness to express ideas and engage in constructive discussion with other Board members, management, and all relevant persons;
- ability to devote sufficient time, energy, and attention to corporate affairs;
- active participation in the decision making process, willingness to make difficult decisions in our best interest and the interests of our stockholders and demonstrate diligence and faithfulness in attending Board and Committee meetings; and
- freedom from any conflict of interest that would impair the director's ability to fulfill the responsibilities of a member of the Board.

We have no formal policy regarding board diversity. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best maximize the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

Stockholder Nominations

The nominating and corporate governance committee will review and evaluate candidates submitted by stockholders for election to the Board, taking into consideration whether nominations are in accordance with the procedures to nominate directors set forth in our bylaws. Any stockholder who wishes to recommend a candidate for consideration by the nominating and corporate governance committee should follow the procedures described later in this Proxy Statement under the heading "Stockholder Proposals and Nominations for Next Years' Annual Meeting."

CORPORATE GOVERNANCE AND OUR BOARD OF DIRECTORS

Director Independence

The Board has determined that none of our directors other than Mr. Richman, who is also our Chief Executive Officer, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each of these directors is “independent” as that term is defined under Nasdaq rules. The Board has also determined that Judith J. Li, Dr. Briggs Morrison and Dr. Timothy M. Shannon, who each served on the Board during 2020, are independent. In making these determinations, the Board considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director and the transactions involving them described in the section entitled “Certain Relationships and Related Party Transactions.”

Board Leadership Structure

Dr. Kabakoff currently serves as Chair of the Board. The Board believes that separation of the positions of Chair and Chief Executive Officer reinforces the independence of the Board from management, creates an environment that encourages objective oversight of management’s performance, and enhances the effectiveness of the Board as a whole, and has concluded that our current board leadership structure is appropriate at this time. However, our amended and restated bylaws and corporate governance guidelines provide the Board with flexibility to combine or separate the positions of Chair and Chief Executive Officer and to appoint a lead director in accordance with its determination that utilizing one or the other structure would be in the best interests of our company. The Board will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Board Size

The Board currently consists of eight directors. Our amended and restated certificate of incorporation provides that the authorized number of directors may be changed only by resolution of the Board. Any

additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of the Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our company.

Board Committees

The Board has established an audit committee, a compensation committee and a nominating and corporate governance committee. Each of these committees operates under a written charter approved by the Board that satisfies applicable SEC and Nasdaq standards. From time to time, the Board may establish other committees to facilitate the management of our business. Each committee's charter is available under the Governance section of our website at www.nextcure.com. The reference to our website address does not constitute incorporation by reference of the information contained at or available through our website.

Audit Committee

The primary function of our audit committee is to oversee our corporate accounting and financial reporting process. Our audit committee's responsibilities include:

- appointing and retaining, approving the compensation of, overseeing, and evaluating the independence, qualification, and performance of our independent registered public accounting firm;
- reviewing and discussing with management and the registered public accounting firm our annual and quarterly financial statements and related disclosures;
- coordinating the Board's oversight of our internal control over financial reporting, disclosure controls and procedures, and the prompt reporting of violations of our code of business conduct and ethics;
- reviewing our critical accounting policies and estimates;
- discussing our risk management policies;
- reviewing and approving or ratifying any related person transaction; and
- preparing the audit committee report required to be included in our annual Proxy Statement.

The members of our audit committee are Dr. Kabakoff, Mr. Nicholson and Mr. Webster, and Mr. Webster serves as the chair of the committee. The Board has determined that each of the members of our audit committee satisfies the financial literacy and sophistication requirements of the SEC and the Nasdaq listing rules. In addition, the Board has determined that Mr. Webster qualifies as an audit committee financial expert under SEC rules. Under SEC rules, members of our audit committee must also meet heightened independence standards. The Board has determined that each of the members of our audit committee is independent under the applicable SEC and Nasdaq listing rules.

Compensation Committee

Our compensation committee oversees policies relating to compensation and benefits of our officers and employees. The compensation committee reviews, approves, and recommends to the Board corporate goals and objectives relevant to compensation of our executive officers, and evaluates the performance of these officers in light of those goals and objectives. The compensation committee reviews and approves compensation for our executive officers at least annually. In making compensation decisions for executive officers other than our Chief Executive Officer, the compensation committee meets with and discusses those decisions with our Chief Executive Officer. The compensation committee separately meets without our Chief Executive Officer to deliberate and approve our Chief Executive Officer's compensation. The compensation committee also reviews and approves the issuance of stock options and other awards to our executive officers. The compensation committee reviews and evaluates, at least annually, the performance of the compensation committee and its members, including compliance by the

compensation committee with its charter. The members of our compensation committee are Dr. Kabakoff and Mr. Khuong, and Mr. Khuong serves as chair of the committee. Each of the members of our compensation committee is independent under the applicable Nasdaq listing rules and is a “non-employee director” as defined in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The compensation committee’s charter permits the compensation committee to delegate to one or more executive officers the power to grant options or other stock awards pursuant to equity-based incentive plans to employees who are not directors or executive officers.

To assist in carrying out its responsibilities, the compensation committee is authorized to retain the services of independent advisors. The compensation committee engaged Pearl Meyer & Partners, LLC (“Pearl Meyer”), a national compensation consulting firm, to serve as an independent consultant to the compensation committee in 2020. During 2020, Pearl Meyer provided advice to the compensation committee on matters related to, among other things:

- compensation of our executive officers, including providing the compensation committee with data and analysis to support compensation decisions;
- the design of our director compensation program.

Prior to engaging Pearl Meyer, the compensation committee considered and assessed Pearl Meyer’s independence. To ensure Pearl Meyer’s continued independence and to avoid any actual or apparent conflict of interest, the compensation committee regularly, but not less than annually, considers Pearl Meyer’s independence and does not permit Pearl Meyer to be engaged to perform any services to us beyond those services provided to the compensation committee. The compensation committee has sole authority to select, retain or terminate its executive compensation consultants and to approve their fees and other retention terms.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is responsible for making recommendations to the Board regarding candidates for directorships and the size and composition of the Board. In addition, our nominating and corporate governance committee is responsible for overseeing our corporate governance policies and reporting and making recommendations to the Board concerning governance matters. The members of our nominating and corporate governance committee are Dr. Houston, Dr. Jones and Dr. Xu, and Dr. Jones serves as chair of the committee. Each of the members of our nominating and corporate governance committee is independent under the applicable Nasdaq listing rules.

Meeting Attendance

During 2020, each director attended at least 75% of the meetings of the Board and meetings of each committee of the Board on which he or she served. All members of the Board are encouraged to attend the annual meeting of stockholders and all directors then in office attended our 2020 annual meeting of stockholders.

Other Governance Matters

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our directors, officers and employees, including those officers responsible for financial reporting. A current copy of the code of business conduct and ethics is available under the Corporate Governance section of our website. We intend to disclose future amendments to the code or any waivers of its requirements on our website.

Role of the Board in Risk Oversight

The Board administers its role in the oversight of risk directly through the Board as a whole, as well as through various standing committees of the Board that address risks inherent in their respective areas.

In particular, the Board monitors and assesses strategic risk exposure and our audit committee oversees our major financial risk exposures and the steps our management has taken to monitor and control these exposures. Our audit committee also monitors compliance with legal and regulatory requirements, oversees risk management associated with the Company's information technology and data security and considers and approves or disapproves any related person transactions. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance practices and of the Board. Our compensation committee assesses and monitors whether any of our compensation policies and programs have the potential to encourage excessive risk-taking. While each committee evaluates certain risks and oversees the management of such risks, our entire Board is regularly informed about the risks overseen by the committees through committee reports.

Risk assessment and oversight are an integral part of our governance and management processes. The Board encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies and presents the steps taken by management to mitigate or eliminate such risks.

With respect to cybersecurity, the Board is briefed by Management on key cyber risks facing the Company at least annually, and more often as warranted. The Company also maintains insurance coverage for certain liabilities associated with cyber risks and all employees receive a comprehensive training on cybersecurity best practices, including strategies to identify phishing attacks.

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines to assist the Board in carrying out its oversight responsibilities and to serve the best interests of the Company and our stockholders. Our Corporate Governance Guidelines are intended to serve as a flexible framework for the conduct of the Board's business and are available under the Corporate Governance section of our website.

Stock Ownership Guidelines

We believe that it is important that our directors and executive officers focus on long-term stockholder value and that their interests are aligned with those of our stockholders. Upon the closing of our IPO, we adopted stock ownership guidelines that require each director to hold shares of our common stock and vested, in the money stock options with a market value of at least three times the annual retainer for non-executive directors within five years of joining the board or by our 2024 Annual Meeting in the case of directors serving as of the closing date of our IPO on May 13, 2019. In addition, our stock ownership guidelines require, within five years of becoming an executive officer or, in the case of executive officers serving as of May 13, 2019, by the 2024 Annual Meeting, (i) our CEO and President to hold stock and vested, in the money options with a market value of five times base salary, (ii) our Chief Financial Officer, Chief Medical Officer and Chief Scientific Officer to hold stock and vested, in the money options with a market value of three times base salary, and (iii) other executive officers to hold stock and vested, in the money options with a market value of two times base salary. In the case of stock options, market value means 60% of the difference between the market price of our common stock and the exercise price of the options. In the case of shares, the market value is the market price. Market price for the purpose of our stock ownership guidelines is the higher of the closing price of our common stock on the determination date and the ninety-day trailing average closing price on that date.

Prohibition of Hedging

Our Trading Compliance Policy prohibits our directors, officers, employees, and agents (such as consultants and independent contractors) and their spouses or other members of their households from entering into hedging or monetization transactions or similar arrangements with respect to our securities without advance approval our Chief Executive Officer or Chief Operating Officer.

Communications with the Board

The Board has adopted a procedure for receiving and addressing communications from our stockholders and other interested parties. Stockholders and others who wish to communicate with the Board, any group of directors, or any individual director can write to: NextCure, Inc. 9000 Virginia Manor Road, Suite 200, Beltsville, Maryland 20705, Attn: Secretary. Your communication should prominently display the legend "BOARD COMMUNICATION." Any such communication will be copied into our files and forwarded to the relevant individual or group to which the communication was addressed at or prior to the next meeting of the Board.

Certain communications unrelated to the duties and responsibilities of the Board will not be forwarded, including spam, junk mail, and mass mailings, resumes, and other forms of job inquiries, surveys, business solicitations or advertisements, and any communication determined to be frivolous, unduly hostile, threatening, illegal or similarly unsuitable.

DIRECTOR COMPENSATION

Non-Employee Director Compensation Program

In connection with our May 2019 IPO, the Board approved a compensation program for our non-employee directors (the "Non-Employee Director Compensation Program"). Pursuant to this program, our non-employee directors receive annual cash compensation as follows:

- the Chair of the Board receives a \$65,000 annual retainer and each other non-employee director receives \$35,000;
- the chair of our audit committee receives a \$15,000 annual retainer and each other member receives \$7,500;
- the chair of our compensation committee receives a \$10,000 annual retainer and each other member receives \$5,000; and
- the chair of our nominating and corporate governance committee receives an \$8,000 annual retainer and each other member receives \$4,000.

All fees under the Non-Employee Director Compensation Program are paid quarterly in arrears and are pro-rated for any partial quarters of service, and no per meeting fees are paid, except that we reimburse non-employee directors for reasonable expenses incurred in connection with attending board and committee meetings.

Under the Non-Employee Director Compensation Program, each non-employee director is also entitled to receive an annual stock option award to purchase 14,250 shares of our common stock that vests on the earlier of one year from the grant date of the award or the date of the next annual meeting of the stockholders, subject to continued service through the vesting date. Annual stock option grants for non-employee directors who were initially elected in the 12 months preceding the annual grant date will be pro-rated on a monthly basis for time in service. In addition, each non-employee director who is elected or appointed to the Board is entitled to receive an initial stock option award to purchase 28,500 shares of our common stock that vests in three equal annual installments commencing on the grant date of the award, subject to continued service through the applicable vesting date. All stock options granted pursuant to the Non-Employee Director Compensation Program are subject to the terms and provisions of the NextCure, Inc. 2019 Omnibus Incentive Plan (the "2019 Plan").

2020 Director Compensation Table

The table below sets forth information on the compensation of all our non-employee directors for the year ended December 31, 2020. **PROPOSAL NO. 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The audit committee of the Board has appointed Ernst & Young LLP (“EY”) as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2021, and is asking stockholders to ratify this appointment at the Annual Meeting.

EY has audited our financial statements annually since 2018. A representative of EY is expected to attend this year’s Annual Meeting, will have the opportunity to make a statement, if desired, and will be available to respond to appropriate questions. In making its recommendation to the Board to select EY as our independent registered public accounting firm for 2021, the audit committee determined that retention of EY is in the best interests of us and our stockholders. Information regarding fees billed by EY for our 2019 and 2020 fiscal years is set forth under “Relationship with Independent Registered Public Accounting Firm” below.

Our bylaws do not require that stockholders ratify the appointment of our independent registered public accounting firm. However, we are seeking ratification because we believe it is a matter of good corporate governance. In the event that stockholders fail to ratify the appointment, the audit committee will reconsider whether to retain EY, but may ultimately determine to retain EY as our independent registered public accounting firm. Even if the appointment is ratified, the audit committee, in its sole discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that it is advisable to do so.

**OUR BOARD AND AUDIT COMMITTEE UNANIMOUSLY RECOMMEND A
VOTE
“FOR” THE RATIFICATION OF THE APPOINTMENT OF
ERNST & YOUNG LLP AS OUR INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2021.**

Relationship with Independent Registered Public Accounting Firm

The following table shows the fees that EY billed us for professional services rendered for 2020 and 2019:

Fee Category	2020	2019
Audit Fees	\$692,000	\$1,733,590
Audit-Related Fees	\$ —	\$ —
Tax Fees	\$ 42,250	\$ 61,321
All Other Fees	\$ —	\$ —
Total Fees	\$734,250	\$1,794,911

Audit Fees

“Audit Fees” includes fees for professional services provided by EY in connection with the audit of our annual financial statements, review of quarterly financial statements included in our quarterly reports on Form 10-Q and registration statements on Form S-1 and S-3, as well as services that are normally provided by EY in connection with SEC filings, including comfort letters and consents issued in connection with securities offerings, consultations on matters addressed during the audit or interim reviews, and other services normally provided in connection with regulatory filings. In 2019 our Audit Fees included \$1,189,904 of fees billed in connection with our registration statements on Form S-1 filed during 2019, including in connection with our initial public offering.

Audit-Related Fees

“Audit-Related Fees” includes fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not included above under “Audit Fees.” We did not incur any Audit-Related Fees for 2020 or 2019.

Tax Fees

“Tax Fees” includes fees for professional services provided by EY for tax compliance, tax advice, and tax planning. Tax Fees for 2020 consist of \$37,050 for tax compliance, including the preparation, review and filing of tax returns, and \$5,200 for tax advice and planning. Tax Fees for 2019 consist of \$40,594 for tax compliance, including the preparation, review and filing of tax returns, and \$20,727 for tax advice and planning.

All Other Fees

“All Other Fees” would include fees for services provided by EY that are not included in the other fee categories reported above. There were no other fees for 2020 or 2019.

Audit Committee Pre-Approval Policies and Procedures

EY provides the audit committee with information outlining the plan and scope of EY’s proposed audit services proposed to be performed during the year, which the audit committee reviews with EY and management. The audit committee pre-approves all services provided by EY, including audit services and non-audit services, to assure that they do not impair EY’s independence. Audit committee pre-approval requirements are subject to an exception for certain *de minimis* non-audit services approved by the audit committee prior to the completion of an audit. None of the EY services in 2020 and 2019 were approved by the audit committee pursuant to the *de minimis* exception. To ensure prompt handling of unexpected matters, the audit committee has specifically delegated to the Chair of the audit committee authority to pre-approve permissible non-audit services, subject to maximum dollar amounts. If the Chair exercises this delegation of authority, he reports the action taken to the audit committee at its next regular meeting.

Audit Committee Report

The primary function of the Audit Committee is to oversee our accounting and financial reporting processes and the external audit of our financial statements on behalf of the Board. The Audit Committee operates under a written charter adopted by the Board that satisfies applicable SEC and Nasdaq standards and is available in the “Investors — Governance” section of our corporate website, www.nextcure.com. The Audit Committee reviews the charter and proposes necessary changes to the Board on an annual basis.

The Audit Committee has reviewed and discussed with management our audited financial statements for the fiscal year ended December 31, 2020 and has discussed with EY, our independent registered public accounting firm for the fiscal year ended December 31, 2020, the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the “PCAOB”) and the SEC. The Audit Committee has also received the written disclosures and the letter from EY required under the applicable requirements of the PCAOB regarding EY’s communications with the Audit Committee concerning independence, and discussed with EY its independence.

On the basis of the review and discussions referenced above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2020 for filing with the SEC.

In addition to its oversight of our corporate accounting and financial reporting process, the Audit Committee is responsible for the appointment, oversight, evaluation, and retention of our independent registered public accounting firm. In connection with this responsibility, the Audit Committee annually reviews the qualifications, performance, and independence of the independent registered public accounting firm, including the performance of the lead audit partner, and assures the regular rotation of the lead audit partner as required. In doing so, the Audit Committee considers a number of factors including, but not limited to quality of services provided, technical expertise, knowledge of the industry, effective communication, and objectivity. The Audit Committee also considers whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

The Audit Committee has engaged EY as our independent registered public accounting firm for the fiscal year ending December 31, 2021 and is seeking ratification of such engagement by our stockholders.

Dr. Liu received a B.S. in virology and molecular biology from Wuhan University in China and a Ph.D. in virology and cell biology from the University of Texas at Austin. She conducted her postdoctoral training in tumor cell biology at the St. Jude Children's Research Hospital.

EXECUTIVE COMPENSATION

This section discusses the material components of the executive compensation program for our named executive officers (“NEOs”) who are named in the “2020 Summary Compensation Table” below. As an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, we are not required to include a Compensation Discussion and Analysis section and have elected to comply with the scaled disclosure requirements applicable to emerging growth companies. In 2020, our NEOs and their positions were as follows:

- *Michael Richman*, our President and Chief Executive Officer;
- *James B. Bingham, Ph.D.*, our Former Chief Development Officer⁽¹⁾;
- *Sol Langermann, Ph.D.*, our Chief Scientific Officer; and
- *Kevin Heller, M.D.*, our Former Chief Medical Officer.

(1) Dr. Bingham separated from the Company on March 15, 2021.

2020 Summary Compensation Table

The following table sets forth information concerning the compensation of our NEOs for the year ended December 31, 2020 and, to the extent required by applicable SEC disclosure rules, the year ended December 31, 2019:

Name and principal position	Year	Salary (\$)	Option Awards(\$) (1)	Non-Equity Incentive Plan Compensation (\$)	All Other Compensation (\$)	Total (\$)
<i>Michael Richman President and Chief Executive Officer</i>	2020	490,969	5,844,457	150,000	2,970	6,488,396
	2019	418,534	—	204,000	3,145	625,679
<i>James B. Bingham, Ph.D.(2) Chief Development Officer</i>	2020	340,768	2,031,273	73,500	1,941	2,447,482
<i>Sol Langermann Chief Scientific Officer</i>	2020	372,673	2,031,273	78,800	1,941	2,484,687
	2019	351,633	—	106,005	1,467	459,105
<i>Kevin Heller, M.D. Former Chief Medical Officer</i>	2020	237,683	2,598,835	—	1,941	2,838,459
	2019	369,000	—	133,488	2,806	505,294

(1) Amounts in this column reflect the full grant date fair value of stock option awards granted during the year as measured pursuant to Financial Accounting Standards Board Accounting Standards Codification Topic 718 and do not correspond to the actual value that may be recognized by the NEO in connection with the applicable awards. See Note 12 to our audited financial statements included in the 2020 Annual Report regarding assumptions underlying the valuation of equity awards.

(2) Information is provided for 2020 only for Dr. Bingham because he was not an NEO in 2019.

Elements of NEO Compensation

Annual Base Salary

We have entered into employment agreements with each of our NEOs that establish annual base salaries, which are generally determined, approved and reviewed periodically to compensate our NEOs for services rendered to our company. The base salary payable to each NEO is intended to provide a fixed component of compensation reflecting the executive’s skill set, experience, role, and responsibilities. Mr. Richman’s base salary was increased by approximately 18% for 2020 to \$500,000 in order to more closely align his base salary with the median base salary of our peer group. The base salaries for

Dr. Bingham, Dr. Langermann, and Dr. Heller were increased by approximately 28%, 6% and 11%, respectively, to \$350,000 for Dr. Bingham, \$375,000 for Dr. Langermann and \$410,000 for Dr. Heller.

Non-Equity Incentive Plan Compensation

We use short-term cash incentives to motivate our employees, including our NEOs, to achieve key business objectives. Our NEOs are eligible to receive annual cash incentive payments, which are determined at the discretion of our Board based upon, among other things, the achievement of these objectives. For 2020, Mr. Richman, Dr. Bingham, Dr. Langermann, and Dr. Heller were each eligible to receive a target cash incentive payment of up to 50%, 35%, 35% and 35%, respectively, of his base salary based on the achievement of certain corporate objectives. In February 2020, our compensation committee approved corporate performance goals in each of the following categories for purposes of determining the 2020 cash incentive payments:

- *NC318*: NC318 clinical milestones (weighted 40%)
- *NC410*: NC410 clinical milestones (weighted 15%)
- *Other R&D and Discovery*: Achieve preclinical and clinical milestones related to NC762 and other programs and discovery milestones relating to the FIND platform (weighted 15%)
- *Business Development*: Specified strategic alliances (weighted 15%)
- *Finance*: Identify and implement an enterprise resource planning system; implement an incident response plan; develop strategy for exiting non-accelerated status, smaller reporting company status and emerging company status; and budget management (weighted 10%)
- *Operations*: Install second 1000L bioreactor, update Good Manufacturing Practices systems and keep involuntary turnover to below 10% (weighted 5%)

In February 2021, our Board reviewed performance for 2020 and based on the level of achievement of corporate performance milestones, determined to make these incentive payments at 60% of target, resulting in payments to Mr. Richman, Dr. Bingham, and Dr. Langermann of 31%, 22%, and 21% of their base salaries, respectively. In connection with his departure, Dr. Heller did not receive a 2020 annual bonus. Please see the "Non-Equity Incentive Plan Compensation" column in the 2020 Summary Compensation Table for the annual cash incentives received by the NEOs with respect to 2020.

Equity Awards

Although we do not have a formal policy with respect to the grant of equity incentive awards to our NEOs, we believe that equity grants provide our NEOs with a strong link to our long-term performance, create an ownership culture and help to align the interests of our NEOs and our stockholders. Our compensation committee is generally responsible for approving NEO equity grants. Vesting of equity awards is generally tied to continuous service with us and serves as an additional retention measure. Our NEOs generally are awarded an initial new hire grant upon commencement of employment. Additional grants may occur periodically to specifically incentivize executives with respect to achieving certain goals or to reward NEOs for exceptional performance. In 2020, the Board granted to Mr. Richman, Dr. Bingham, Dr. Langermann and Dr. Heller options to purchase 225,000, 78,200, 78,200 and 100,050 shares of our common stock, respectively. These options vest 25% on the first anniversary of the grant date and in 36 monthly installments thereafter, subject to the NEO's continued employment through the applicable vesting date.

401(k) Plan

We maintain a qualified 401(k) savings plan which allows participants to defer up to the lesser of the statutory maximum or 100% of eligible compensation on a pre-tax basis. The Company did not provide any contributions to this plan for 2020. Participants are always vested in their contributions to the plan.

Employment Agreements and Potential Payments Upon Termination or Change in Control

Employment Agreements with NEOs and Potential Payments Upon Termination or Change in Control

We entered into employment agreements with Michael Richman, our President and Chief Executive Officer, Sol Langermann, Ph.D., our Chief Scientific Officer, and James Bingham, Ph.D., our former Chief Development Officer, in July 2020. Pursuant to the respective employment agreement, each executive (i) is entitled to an initial annual base salary (\$500,000 for Mr. Richman, \$375,000 for Dr. Langermann and \$350,000 for Dr. Bingham prior to his departure), (ii) is eligible to receive an annual bonus (up to 50% of Mr. Richman's base salary, 35% of Dr. Langermann's base salary and, prior to his departure, up to 35% of Dr. Bingham's base salary), and (iii) receives health insurance benefits and other benefits approved by our Board.

In the event either Mr. Richman or Dr. Langermann's employment with us is terminated by us for any reason other than Cause (as defined in the employment agreements) or by the NEO for Good Reason (as defined in the employment agreements), then the executive will be entitled to: (i) any unpaid salary for services rendered prior to the date of termination of employment; (ii) any earned but unpaid annual bonus for any fiscal year prior to the year in which termination of employment occurs; (iii) reimbursement of any unreimbursed business expenses; (iv) accrued but unused vacation (if applicable); (v) any other payments, benefits, or fringe benefits to which the executive is entitled under the terms of any applicable compensation arrangement or benefit, equity, program, or grant; (vi) 12 and nine months' base salary, in the case of Mr. Richman and Dr. Langermann, respectively (increased to 18 and 12 months' base salary, respectively, if such termination occurs within three months prior to or 12 months following a "Change in Control" (as defined in the employment agreements)), subject to certain conditions and terms set forth in the employment agreement, including the execution of a release of claims; and (vii) health insurance coverage until the earlier of (a) 12 months, in the case of Mr. Richman, or nine months, in the case of Dr. Langermann, following the effective termination date (increased to 18 months, in the case of Mr. Richman, and 12 months, in the case of Dr. Langermann, if such termination occurs within three months prior to or 12 months following a Change in Control) or (b) the date upon which the NEO commences full-time employment. Our current policy is not to accrue vacation time.

In connection with his resignation from his position as our Chief Medical Officer in August 2020, Dr. Heller and the Company entered into a Consulting Agreement (the "Heller Consulting Agreement"), effective as of August 4, 2020, to provide for Dr. Heller to perform ongoing consulting services for the Company. Pursuant to the Heller Consulting Agreement, Dr. Heller will provide up to 10 hours of consulting services per month to the Company relating to the Company's ongoing clinical trials for two of its product candidates, NC-318 and NC-410. Dr. Heller will receive a monthly fee of \$5,000 for his services and will continue to vest in his existing option awards during the term of the Heller Consulting Agreement. The term of the Heller Consulting Agreement was scheduled to run through July 31, 2021, but allowed either party to terminate it earlier on 90 days' written notice. The Company terminated the Heller Consulting Agreement effective as of April 30, 2021.

Dr. Bingham's employment agreement also contained severance benefits consistent with the benefits under Dr. Langermann's employment agreement. In connection with his resignation from his position as our Chief Development Officer in March 2021, Dr. Bingham and the Company entered into a Consulting Agreement (the "Bingham Consulting Agreement"), effective as of March 15, 2021, to provide for Dr. Bingham to perform ongoing consulting services for the Company. Pursuant to the Bingham Consulting Agreement, Dr. Bingham will provide up to 10 hours of consulting services per month to the Company, as requested by Company's senior management, including, without limitation, relating to the Company's ongoing discovery, research, development, manufacturing, quality assurance and clinical program as well as the Company's facilities and premises. Dr. Bingham will receive an hourly fee of \$525 for his services and will continue to vest in his existing option awards during the term of the Bingham Consulting Agreement. The term of the Bingham Consulting Agreement is scheduled to run through March 15, 2022, but allows either party to terminate it earlier on 30 days' written notice.

If an NEO's employment with us is terminated as a result of his death or "Disability" (as defined in the NextCure, Inc. 2015 Omnibus Incentive Plan (the "2015 Plan") or the 2019 Plan, as applicable), such NEO will be credited with an additional 12 months of service from the date of such termination for purposes of vesting in the shares subject to his outstanding options. In addition, options granted pursuant to the 2019 Plan will fully vest (i) at least 15 days prior to the scheduled consummation of a "Change in Control" (as defined in the 2019 Plan) in which outstanding awards under the 2019 Plan are not assumed, continued or substituted for, and (ii) upon the termination of the holder's employment by us without "Cause" (as defined in the 2019 Plan) within 12 months following the consummation of a Change in Control in which awards under the 2019 Plan were assumed, continued or substituted for replacement awards.

OWNERSHIP OF OUR COMMON STOCK

The following table sets forth information relating to the beneficial ownership of our common stock as of April 26, 2021, by:

- each person, or group of affiliated persons, known by us to beneficially own more than 5% of our outstanding shares of common stock;
- each of our directors;
- each of our NEOs; and
- all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director, or executive officer is determined in accordance with SEC rules, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has sole or shared voting power or investment power as well as any shares that the individual has the right to acquire within 60 days of April 26, 2021 through the exercise of any stock option or other rights. Except as otherwise indicated, and subject to applicable community property laws, the persons named in the table have sole voting and investment power with respect to all shares of common stock held by that person.

The percentage of shares beneficially owned is computed on the basis of 27,609,863 shares of our common stock outstanding on April 26, 2021. Shares of our common stock that a person has the right to acquire within 60 days of April 26, 2021 are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but not for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. Except as set forth below, the address for each beneficial owner listed is c/o NextCure, Inc., 9000 Virginia Manor Road, Suite 200, Beltsville, Maryland 20705.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Policies and Procedures for Related Person Transactions

We adopted a written related person transaction policy, effective upon the closing of our IPO, setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act of 1933, as amended (the “Securities Act”), any transaction, arrangement or relationship, or any series of similar transactions, arrangements, or relationships in which we were or are to be a participant, where the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest. Types of transactions covered by this policy include, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness, and employment by us of a related person. In reviewing and approving any such transactions, our audit committee is tasked to consider all relevant facts and circumstances, including but not limited to whether the transaction is on terms comparable to those that could be obtained in an arm’s length transaction with an unrelated third party and the extent of the related person’s interest in the transaction.

Related Person Transactions

The following is a description of transactions since January 1, 2019 to which we have been or are to be a participant, in which the amount exceeds \$120,000, and in which any of our directors, executive officers, or beneficial owners of more than 5% of any class of our voting securities, or any immediate family member of or person sharing a household with any of the foregoing persons, had or will have a direct or indirect material interest, other than employment relationships with our executive officers and compensation to our directors.

Our Relationship with Eli Lilly

In November 2018, we entered into a collaboration agreement (the “Lilly Agreement”) with Eli Lilly and Company (“Lilly”) focused on the discovery and development of immunomedicines for oncology using our FIND-IO platform. At the time of the transaction, Lilly beneficially owned more than 5% of our outstanding common stock. We received an upfront payment of \$25.0 million in cash and an equity investment of \$15.0 million from Lilly upon entering into the Lilly Agreement and were eligible for support, option exercise and milestone payments of an aggregate of up to \$1.4 billion, as well as mid to high single-digit royalties under the Lilly Agreement. Upon our exercise of an option with respect to a given target, we would have owed Lilly option exercise, milestone and royalty payments in amounts equivalent to a portion of the amounts payable by Lilly were Lilly to exercise an option. Lilly terminated this agreement effective March 3, 2020.

Participation in our Initial Public Offering

In connection with our IPO, certain of our 5% stockholders and funds associated with certain of our directors purchased shares of our common stock from the underwriters at the IPO price of \$15.00 per share, and on the same terms as other investors in our IPO. The following table summarizes those purchases:

ADDITIONAL INFORMATION

Availability of Certain Information

A copy of the 2020 Annual Report has been posted on the Internet along with this Proxy Statement, each of which is accessible by following the instructions in the Notice. The 2020 Annual Report is not incorporated into this Proxy Statement and is not considered proxy-soliciting material.

We filed the 2020 Annual Report with the SEC on March 4, 2021. We will mail without charge, upon written request, a copy of the 2020 Annual Report, excluding exhibits. Please send a written request to Investor Relations, NextCure, Inc., 9000 Virginia Manor Road, Suite 200, Beltsville, Maryland 20705.

Householding

Stockholders residing in the same address who hold their stock through a bank or broker may receive only one set of Proxy Materials, including the Notice, in accordance with a notice sent earlier by their bank or broker. This practice of sending only one copy of Proxy Materials, called "householding," saves us money in printing and distribution costs and reduces the environmental impact of our Annual Meeting. This practice will continue unless instructions to the contrary are received by your bank or broker from one or more of the stockholders within the household.

If you hold your shares in "street name" and reside in a household that received only one copy of the Proxy Materials, you can request to receive a separate copy in the future by following the instructions sent by your bank or broker. If your household receives multiple copies of the Proxy Materials, you may request that only a single set of materials be sent by following the instructions sent by your bank or broker.

Other Matters

The Annual Meeting is called for the purposes set forth in the Notice. Our Board does not know of any other matters to be considered by the stockholders at the Annual Meeting other than the matters described in the Notice. However, the enclosed proxy confers discretionary authority on the persons named in the Proxy Card with respect to matters that may properly come before the Annual Meeting and that are not known to our Board at the date this Proxy Statement was printed. It is the intention of the persons named in the Proxy Card to vote in accordance with their best judgment on any such matter.

Stockholder Proposals and Nominations to be Included in Next Year's Proxy Statement

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may submit proposals for inclusion in our proxy statement for the 2022 Annual Meeting (the "2022 Proxy Statement"). For a proposal to be considered for inclusion in the 2022 Proxy Statement, the stockholder must satisfy the requirements set forth in Rule 14a-8 and must be submitted in writing to our Corporate Secretary at NextCure, Inc., 9000 Virginia Manor Road, Suite 200, Beltsville, Maryland 20705. Such proposal must be received by December 30, 2021.

Holders of common stock who wish to have proposals submitted for inclusion in the 2022 Proxy Statement should consult the applicable rules and regulations of the SEC with respect to such proposals, including certain information required to be in the proposal, the permissible number and length of proposals and other matters governed by such rules and regulations, and should also consult our bylaws.

Other Stockholder Proposals and Nominations for Next Year's Annual Meeting

For stockholders who wish to present a proposal or nomination before our 2022 Annual Meeting, but do not intend to have their proposal included in the 2022 Proxy Statement, our bylaws also provide for notice procedures to recommend a person for nomination as a director or to propose business to be considered by stockholders at a meeting other than those to be included in the 2022 Proxy Statement. To be considered timely under these provisions, the stockholder's notice must be received by the Corporate Secretary at our principal executive offices at the address set forth above between February 24, 2022 and March 26, 2022. Our bylaws also specify requirements as to the form and content of a stockholder's notice.
